

Serial No. 09/914,706

REMARKS

As discussed with Examiner Chester Barry on April 19, 2004, applicant noted a typographical error in claim 29 in the amendment after final rejection filed May 14, 2004 in response to the Advisory Action dated April 19, 2004. As a supplemental amendment, applicant desires to amend claim 29 to correct the preamble to read -- system -- rather than "method" and resubmits all amended claims for consideration. Applicant's remarks found in the amendment filed May 14, 2004 are hereby incorporated by reference.

Conclusion

In view of the foregoing amendment and remarks, it is respectfully submitted that all the claims are allowable and early favorable action is earnestly solicited. The Examiner is invited to call applicant's attorney if any questions remain following review of this response.
